

ONLY QUESTION IS OF MAJORITY

Democratic Candidate for Governor Finds Party Thoroughly United.

CHILD LABOR LEGISLATION

North Carolina State Fair Closes With Great Annual Ball.

(Special to The Times-Dispatch.)
Raleigh, N. C., October 19.—Hon. Locke Craig, Democratic nominee for Governor of North Carolina, spent a few hours here to-day on his way from Lillington to Clayton in the prosecution of his campaign, which is now at its height. He addressed an exceptionally large crowd at Lillington yesterday, he says, and found Harnett County Democracy in splendid form. He spoke at Clayton this afternoon. He says he is finding Democracy thoroughly in line all over the State. The people are coming out much as they would go to church. They just want to hear the good Democratic doctrine, he says, and turn out with-out these being any fight on at all worth considering. It is only a question now, he says, of the length to which increased Democratic majorities will go, and it looks as if the vote will be unanimous in North Carolina.

Governor Kitchin has issued a reward of \$50 for the arrest of Thomas Rowland, alias Claude Rowland, wanted in Holly Springs township, this county, for the recent murder of Francis McLean. The people of that community have offered an additional reward of \$50.

Secretary A. J. McKelway, of the National Child Labor Committee, spent the day here in conference with members of the North Carolina child labor committee, and went to Fayetteville, where he preaches to-morrow in the Presbyterian Church, of which he was formerly pastor. He is delighted that there seems to be comparatively easy selling in North Carolina in getting the advances in the child labor laws desired at the approaching session of the Legislature.

He says there will be eleven Southern Legislatures in session at the same time this winter with child labor bills pending, in which the national committee is interested. In North Carolina the State child labor committee and leading manufacturers have about agreed to changes in the child labor law that will be asked of this Legislature, so that there is little promise of any contest in this State.

State Commissioner of Insurance James R. Young reports the arrest of two more persons charged with implication in the burning of a schoolhouse in Polk County, making eighteen persons who are to be tried as participants in the burning, which grew out of a bitter school district consolidation contest involving removal of schoolhouse.

The 1912 State Fair came to a brilliant close Friday night with the annual ball given under the direction of Chairman C. Trenholm McLeachan, assisted by assistant managers that included one or more members of each of the more prominent social clubs in the State. The affair was chaperoned by a company of the most prominent dames from all parts of the State.

Fall Suits, \$20

If economy is a consideration, our showing of suits at \$20 will interest you. It is certain that no such attractive examples of style and quality will be secured at that price—it is doubtful if the same value will be duplicated elsewhere at \$25. Rather than describe here the merits of these garments, we will let this advertisement serve as an invitation to every man to visit us and personally acquaint himself with the advantage of Berry Fall Suits at \$20. The garments will speak for themselves with far greater emphasis than we might attempt here.

Those from other cities and towns were: Mr. J. A. Long, Roxboro; Mrs. J. S. Carr, Durham; Mrs. Ashley Horne, Clayton; Mrs. E. L. Daughtridge, Rocky Mount; Mrs. W. E. Cox, Penelo; Mrs. John A. Miles, Mrs. R. G. Cooper, Oxford; Mrs. Aelia Cooper, Mrs. W. Brooks Parham, Henderson; Mrs. H. M. E. Cason, Mrs. R. G. White, Edenton; Mrs. W. H. Reynolds, Mrs. Clement Manly, Winston-Salem; Mrs. Frank Dalton, Mrs. Thomas Crabtree, Greensboro; Mrs. John G. Blount, Mrs. W. H. Carter, Washington; Mrs. G. B. Caldwell, Mrs. A. M. Henderson, Moore; Mrs. J. W. Pless, Mrs. A. Blanton, Marion; Mrs. Locke Craig, Mrs. Erwin Sluder, Asheville. There were nearly two hundred dancers at the height of the dancing. The affair was held in the auditorium, and there were hundreds of spectators.

Thursday night there was a brilliant dance given in honor of State fair visitors by the Capital Club. This was led by Gordon Smith, with Miss LeMay Deery, and there were nearly a hundred couples dancing. Under the leadership of President Albert Cox, of the Raleigh Chamber of Commerce, more than \$250 is to be expended in putting the athletic field of the State fair grounds in order for the great University of North Carolina-V. P. I. game of football that is to be played here October 28. The work on the grounds is to begin Monday.

Enormous Payrolls.
The three big American electrical corporations are today employing a total of between \$2,000 and \$3,000 persons. The weekly payroll runs between \$1,200,000 and \$1,300,000, which is at least \$250,000 more per week than on January 1, and is the highest figure ever attained. Even in the boom days of 1906, the payroll of these three great corporations did not touch \$1,000,000 per week.

BYRCE TAKES UP CANAL QUESTION

Calls at State Department to Discuss Matter of Panama Tolls.

(Special to The Times-Dispatch.)
Washington, October 19.—Ambassador Bryce, who has just returned to Washington after an absence of several months, called at the State Department to-day in connection with the controversy between the United States and Great Britain regarding the Panama Canal tolls. His call at the department to-day practically inaugurated a series of diplomatic discussions which will continue between the two governments until the matter is settled. With the return of Secretary Knox to his desk next Monday following his journey to Japan as special ambassador at the funeral ceremonies of the Japanese Emperor, the matter will be brought to a conclusion as soon as possible.

Officials here express every confidence that an amicable adjustment will be reached. It is now understood that there will be no formal communication from the British government other than what has already been received. Discussions between Ambassador Bryce and the State Department will form the basis of the negotiations to be carried on.

It is believed the ultimate solution of the problem will be an indirect one. There are other important matters pending between the United States and Great Britain, and it has been suggested that all taken together will afford a better basis for negotiation than would be the case if an endeavor to settle the canal question by itself.

Ambassador Bryce talked with Chandler Anderson, counselor of the State Department, to-day regarding the arbitration treaty which the Senate recently altered in ratifying. As soon as opportunity offers they will confer in an endeavor to save something out of the wreck.

PENITENTIARY SENTENCES.

Terms Given Several Defendants in Caroline County Court.

(Special to The Times-Dispatch.)
Bowling Green, Va., October 19.—The Circuit Court of Caroline County, which has been in session since Monday, adjourned this evening at a late hour and will convene again on Monday morning. Among the cases disposed of were those of the Commonwealth against Eddie Lee, Chippy Cole, Frank Spillman and Charles Kelly, who pleaded guilty of the charge of breaking in and robbing a car at Milford. They were each given four years in the penitentiary. Charles Kelly being under age was sent to the reformatory at Laurel for four years, instead of the penitentiary, and the others sentenced to the penitentiary.

Among the civil cases tried was one of John J. Elmer against Thomas R. Campbell for shooting him, which resulted in a verdict for the plaintiff of \$400.

One Negro Shoots Another.

(Special to The Times-Dispatch.)
Chick's Neck, Va., October 19.—Edward Atkins, a colored youth, late this afternoon fatally shot his cousin, Clarence Atkins, a boy about the same age, in the head with a rifle and the injured boy is expected to die. The boys were returning from work and in passing the rifle from one to the other it was discharged. The shooting was reported to Justice of the Peace Freeman, who advised that Atkins be taken to Richmond and landed in the Henrico jail until an investigation is made.

OFFICERS SEIZE WHISKY.

Hold Cafe Next to Fayetteville Police Headquarters.

(Special to The Times-Dispatch.)
Fayetteville, N. C., October 19.—Five barrels of whisky were seized by police officers this afternoon in a cafe adjoining the local police headquarters, which was opened a few days ago by J. H. Sullivan and R. A. Apple. The proprietors were arrested and bound over to Superior Court by Mayor Underwood. Sullivan is one of the "tax" dealers, now under indictment for selling beer. Both Sullivan and Apple gave a \$100 bond.

GEORGE J. ROGERS DIES AT HIS HOME

Honored Citizen of Petersburg and Distinguished Confederate Veteran.

DEATH OF MRS. ANNA DONNAN

Freight Wreck on Seaboard. Church Is Robbed—Girls Frightened by Lunatic.

The Times-Dispatch Bureau,
5 Bollingbrook Street
(Telephone 1485).
Petersburg, Va., October 19.—Captain George J. Rogers, an honored citizen and Confederate veteran, died this morning about 3 o'clock at his residence on High Street, in the seventy-second year of his age. His end came very quietly and peacefully, after an illness of long duration, accompanied with much suffering. The funeral service will take place from the residence at 12 o'clock on Monday, the 21st instant.

Captain Rogers made a notable record as a Confederate soldier. He was adjutant of the Forty-first Virginia Regiment, Mahone's Brigade, and participated in many of the fiercest battles of the war. In the battle of Malvern Hill he was shot through the neck and desperately wounded. His voice never recovered its normal tone. Until about a year ago, when he resigned on account of ill health, Captain Rogers held the position under the Grand Canal of Confederate Veterans of Virginia, as inspector-general for the Fourth District. He was a member of A. P. Hill Camp, and a camp will attend the funeral in a body and escort the body to the grave.

For twenty-two years, and until illness overcame him, Captain Rogers was associated with Major James H. Dooley in the real estate business in Richmond, and was well known and much respected in that city as in Petersburg. He was a Christian and a true type of the Virginia gentleman, a man of noble character, a true patriot and friend and faithful in all the relations of life.

Captain Rogers is survived by his devoted wife, one daughter—Mrs. Francis Rawle Wadleigh, of Norfolk—two sons—Dr. E. Reinhold Rogers, of Charlottesville, and the Rev. George Floyd Rogers, of Lynchburg—and a half-sister—Mrs. Dr. Hall, of Staunton.

Death of Mrs. Donnan.

Mrs. Annie E. Donnan, widow of Alexander Donnan, a distinguished member of the Petersburg bar in his time, died this morning about 6 o'clock at her residence on South Market Street, aged eighty-five years. She had been an invalid as the result of an accident for several years. She was highly esteemed in the community, and her death brings sorrow to the hearts of a large circle of relatives and friends. She is survived by the following children: Mrs. Mann, wife of Governor W. H. Mann, and Allan Donnan, of Richmond; William W. Harris, of Alexandria; and Alexander Donnan, of Petersburg. She is also survived by a number of grandchildren. The funeral will be from the residence Sunday afternoon at 2:30 o'clock.

Wreck on the Seaboard.

A North-bound freight train on the Seaboard Air Line Railway was wrecked this morning about midway between DeWitt and McKenney Stations, in Dinwiddie County. The accident is said to have been caused by a loose wheel on one of the cars, which left the rail and caused the wreck of two cars. Nobody was hurt. The track was effectively blocked, and passenger trains north and south-bound were taken around over the Atlantic Coast Line Road, between Richmond and Weldon.

Wrecking crews have been at work during the day, and it was expected to have the track open to-night.

Church Robbed and Desecrated.

The First Baptist Church, on Washington Street, was broken into and robbed last night, and some of the property damaged. Entrance was effected by forcing a rear door of the basement. The thief or thieves went through the church and every room connected with it, including the mechanical addition, and broke the lock of the door and cabinet in every room, every desk and every altar. The church is in search of money and valuables. The cabinet supposed to contain the communion service was broken open, but the service had fortunately been removed. The only things stolen were a woman's silver handkerchief and a baptismal gown. The property of the Rev. A. R. Love, of the Second Church.

Frightened by a Lunatic.
Two young daughters of Z. T. Slate, of Dinwiddie County, while waiting for a train to pass at a crossing near their home on Tuesday morning, were very much frightened by the appearance of a crazed negro, armed with a

Granted Insurance After Consumption

There are so many cases of Consumption reported where the details show the disease started with a cold or a cough, that it is really surprising that people are not more ready to immediately stop these apparently minor troubles. Our advice is "stop the cough or cold, if possible, even if it means the use of more medicine, for the disease is likely to follow. If the medicine you are now taking does not bring relief, try Eckman's Alternative, as it will cure almost any case of Consumption."

"I am giving you below a brief history of my case, which I trust you will find of interest to those suffering from similar troubles."

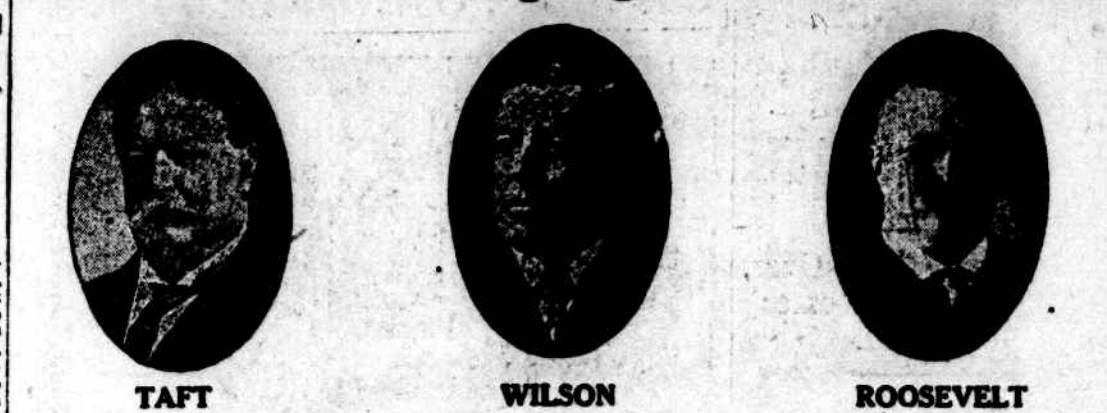

"About a year and a half ago I noticed that my body was rapidly falling and losing weight. I was troubled with night sweats, a severe cough and was very nervous, having in fact acquired the habit of coughing. About this time I consulted a physician, who told me my lungs were affected. I was given a course of treatment, but it did not bring relief. I was then told to try Eckman's Alternative, as it will cure almost any case of Consumption."

Doctors Use This For Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood." The skin must be cured through the skin. The germs must be washed out, and so salves have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D. D. D. Prescription for Eczema.

Dr. Holmes, the well-known skin specialist, writes: "I am convinced that the D. D. D. Prescription is as much a specific for eczema as quinine for malaria. I have been prescribing the D. D. D. remedy for years." It will take away the itch the instant you apply it.

In fact, we are so sure of what D. D. D. will do for you that we will be glad to let you have a \$1 bottle on our guarantee that it will cost you nothing unless you find it does the work.

ALIMONY KEEPS HIM IN POVERTY

This Broker Hasn't Had Vacation or New Suit of Clothes in Three Years.

[Special to The Times-Dispatch.]

New York, October 19.—A broker, who hasn't had a vacation in three years and hasn't bought a new suit of clothes in the same period, introduced himself in the Supreme Court, when Clarence H. Terhune, a member of the Consolidated Stock Exchange, with an office at 36 Beaver Street, asked Justice Geiger to reduce alimony of \$50 a week granted to Mrs. Anna L. Terhune, when she obtained a decree of divorce three months ago to \$20.

Terhune told the court that although he had been on the exchange every working day for three years, his income had decreased steadily, due chiefly to the fact that the brokerage business generally has fallen off. He said that he doesn't make \$50 a week, and has been able to pay the alimony only by borrowing money. If the \$50 allowance is continued, he will have to go to jail for nonpayment, he said. The court refused to make any reduction, but said that if Terhune's financial condition doesn't improve he can make another application.

Build Only One Fire a Winter

It is so perfect in construction that fire keeps all night—it saves the gases wasted with other stoves.

The cost of the stove is saved in fuel. \$5.00 worth of soft coal, hard coal or lignite, or a \$1.50 ton of slack or screenings will do the work of twice the amount of fuel in other stoves.

It is guaranteed to remain always air-tight, which means that it is always a fire-keeper.
